March

Host a letter writing workshop where attendees write empowering letters to victims and survivors of violence against women and girls.

Self-care coffee morning which could include information on Halo, a bake sale and a guest speaker

Host an IWD themed quiz online or in-person. Kahoot is a good tool to use to make it. You can also make it a fundraising event by selling tickets.

Run a film or book club, look in toolkits for ones we recommend. For a one-off event, go for a short book like 'We should all be feminists'

Link in with a drama / performing arts society and do a reading of survivor's stories

Craftivist club - an activist craft club to create posters and protest signs to raise awareness of Halo and challenge violence against women and girls

Present to and collaborate with other societies and see how you can work together e.g. UN, feminist, multicultural, law societies

Host a fundraising event such as a tombola or raffle, a sponsored 'Walk for women', a clothes swap etc.

Run a poetry writing workshop on a theme such as *What it means to be a woman in 2022*
